Benefit Ride for Hill Top Wildlife Rescue

Mark the date and tell your friends! Maple Ridge Stables is hosting a benefit event for Hill Top Wildlife Rescue. Our goal is to insure that this rescue has the necessary funding to feed and rehab the local wildlife injured or abandoned in our community. Did you know that it takes \$250 to raise and rehab a single raccoon? Did you know that a raccoon that has been rehabilitated must be released in the same area it was originally found? Learn more about this wonderful facility by joining us on July 23rd.

We are asking that each person interested in joining us for this event secure \$50 in donations to be brought with you the day of the event. A form with the necessary information for your sponsors will be provided via our website or Facebook by May 1, 2011

Prizes, refreshments and a tour of the facility will be provided by Brenda Sharp, Licensed Wildlife Rehabilitator at the conclusion of the event..
